To the tune of...  
"She'll be Coming  
Round the Mountain"

**Sing the song and do the actions together!**

I'll be tapping on my shoulders with my hands

I'll be tapping on my shoulders with my hands

I'll be tapping on my shoulders

I'll be tapping on my shoulders

I'll be tapping on my shoulders with my hands

I'll be stamping on the floor with my feet...

I'll be wiggling my fingers in the air...

I'll be shaking my head from side to side...

**Now make up some actions of your own**
