To the tune of... "A Sailor Went to Sea, Sea, Sea"

This is an eye spy game!

The other person has to
guess what the singer sees

With my two eyes I see, see, see,
I'll tell you what I see, see, see,
What blue thing can I see, see, see?
Can you guess and tell me, me, me?

Now try these...

With my two ears I hear, hear, hear,
I'll tell you what I hear, hear, hear,
What (loud/quiet/high/low/raspy/
etc.) thing can I hear, hear, hear?
Can you guess and tell me my
dear, dear, dear?
