Twinkle Twinkle

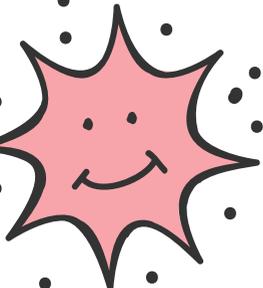

Up and Down

Your child will love the sound of singing.

They will love learning from you.

- We'll use the tune of 'Twinkle, twinkle little star' but we'll change the words.
- Wiggle your hands and fingers to do the actions while you sing with your child.
- Help your baby do the actions - gently and slowly.
- With your toddler, show them the song and actions. Then let them sing along and do them with you.

Sing: See the star go up then down
Actions: Wiggle your fingers up and down

Sing: See the star go round and round
Actions: Wiggle your fingers in a circle

Sing: Make it big then make it small
Actions: Wiggle your fingers wide, then scrunch up your hands

Sing: Throw it up then let it fall
Actions: Raise your fingers up in the air, then wiggle them down
