

How do you feel?

Play together 1:

Ask your child to make eyes, nose and mouth using Play-doh on the face circle on the other side of the postcard.

Can they make their Play-Doh face look Happy, Sad, Surprised? Any others?

Play together 2:

Ask your child to make funny faces; add funny hair, a hat, a red nose or anything else funny.

Play together 3:

Ask your child now to draw a picture of themselves on a piece of paper.

You can both have fun doing this together lots of times!
