Shapes

On this card we have some shapes to learn and explore

Play together 1:

Point at each shape and name it to your child.
If they can, ask them to repeat it.

Play together 2:

Ask your child to colour in the shapes then ask if they can draw any of those shapes on another piece of paper.

Play together 3:

Help your child to make the shapes out of Play-doh

Play together 4:

Ask your child if they can find any shapes they have learnt around the home e.g.: An orange is a circle shape
