

Drawing Sounds

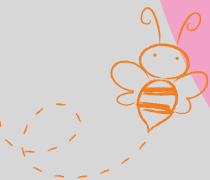

**Sounds are all around you!
Have you ever tried drawing them?
Find a place to sit outdoors in nature.**

Listen to the sounds around you...

birds singing
the wind
voices
rustling leaves
bees buzzing
traffic
water flowing
what else?

Using your imagination, draw each sound, and write its name... it can look however you want! There is no right or wrong way to do this.

Now try

Do this in different places like a woodland, park, garden, by a lake or at the sea and compare the different sounds.
