

Natural Paintbrushes

Go for a walk to collect natural items
with different textures. **Things like:**

Feathers

Grass

Leaves

Seed heads

Moss

Collect some sticks
to use as your paint
brush handles.

Now you can use your
natural items to make
different kinds of
brushes – one with just
flowers or just leaves.

Or mix some together
to make a brush with lots
of different textures.

Using wool, tie your
items to one end of a stick.
You've made a paintbrush!

Now, have fun using
your new 100% natural
paintbrushes to paint
pictures on your paper!

**Which textures and
patterns do you
like best?**
