# Lots of rubbings

1

Let's make some rubbings.  
Get some paper, pencils and crayons.  
Look for coins, keys, forks, keyholes  
and toys too.

2

Go outside and try using leaves,  
paths and walls.

Make sure your paper doesn't  
blow away!

3

Now, look at all your drawings.  
What are your favourites?  
Cut them out and glue them on to card.  
Make a pattern or a picture of them!
