15C18

Activity created by

museums.calderdale.gov.uk

You will need scissors and wool

1. Put the wool around your fingers 50 times

2. Take it off your fingers. Cut another small piece of wool and put round the back of your wool

3. Tie the wool round the middle of the ball into a knot and cut the ends off

4. Cut the loops on both sides

5. Cut long ends off the pom pom

6. Ta Da!! Your pom pom ball!

Try this

Glue on eyes and ears to make a mouse, rabbit or any other creature
String together lots of pom poms and hang them up in your house
