

**Square**

**Star**

**Line**

**Circle**

**Hexagon**

# Shapes

On this card we have some shapes to learn and explore

## Play together 1:

Point at each shape and name it to your child.

If they can, ask them to repeat it.

## Play together 2:

Help your child to make the shapes out of Play-doh.

## Play together 3:

Ask your child if they can find any shapes they have learnt around the home e.g.: An orange is a circle shape.
